A Closer Look at NIBRS Reporting

What information do you collect using NIBRS?

Incident information on **Crimes Against Persons**, **Crimes Against Property**, and **Crimes Against Society** (Group A offenses) are collected.

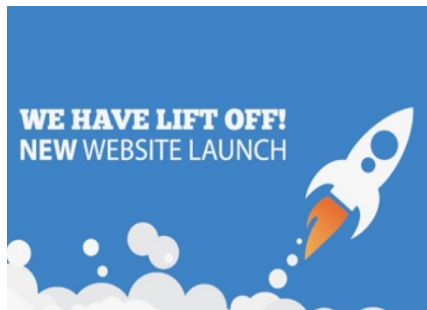

Arrest only (Group B offenses) information is collected on all other offenses except traffic offenses. Driving Under the Influence is the only traffic offense reported.

Using NIBRS, all reportable offenses in an incident are reported, thus giving a true depiction of what is occurring in the community. There are State and Federal funding and program opportunities tied to collecting and reporting crime statistics.

FBI NIBRS Training Delivers

Thanks to FBI trainer Bradley Zoladz for the excellent NIBRS training last week!!

We had over **80** people attend from the State and Law Enforcement Agencies.

Special thanks to Rishma Khimji from City of Reno, IT Director's Office, and Reno PD's Mary Beith for making this possible by hosting and coordinating the event and to the staff at GSD for their support.
